# BUILT TO PROTECT WHAT MATTERS MOST

**STRONGHOUSE IS A NATIONAL LEADER IN ROOFING, SIDING, WINDOWS, AND EXTERIOR REMODELING, COMBINING TRUSTED LOCAL EXPERTISE WITH THE RESOURCES OF A UNIFIED, NATIONAL BRAND.**

Our purpose is simple: to strengthen the places people live and work through unmatched craftsmanship, innovation, and care.

We bring together decades of experience, proven teams, and certified partnerships to deliver results that last, for homeowners, property managers, and businesses across the country.

## **OUR PROMISE:**

Every project is backed by our Stronghouse Warranty: craftsmanship you can count on, long after the work is done.

# COMPREHENSIVE EXTERIOR SOLUTIONS

NO MATTER THE PROPERTY TYPE OR PROJECT SIZE, STRONGHOUSE DELIVERS COMPLETE EXTERIOR PROTECTION AND TRANSFORMATION.

**Roofing:** Durable, beautiful roofs installed with precision and backed by industry-leading manufacturer certifications.

**Siding:** High-performance materials and custom color options that enhance curb appeal and protect against the elements.

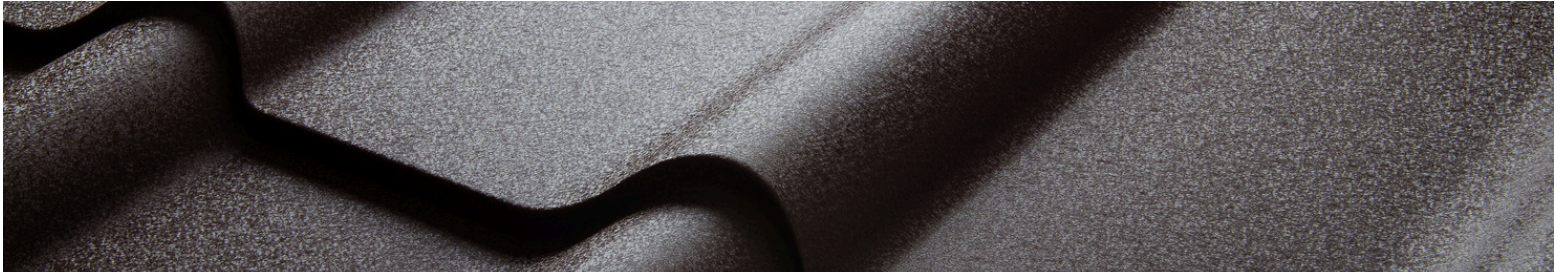

**Windows:** Energy-efficient replacements designed for clarity, comfort, and lasting performance.

**Gutters:** Seamless, durable systems that keep water flowing away from your home. Available in aluminum, steel, copper, and more.

# PROTECTION THAT PERFORMS

**WE HANDLE EVERYTHING YOUR ROOF NEEDS TO PROTECT, RESTORE, AND IMPROVE YOUR PROPERTY, SINGLE-FAMILY HOMES OR MULTI-UNIT BUILDINGS ALIKE.**

Every Stronghouse roof is built with the industry's best materials, selected for performance, beauty, and long-term value. We partner with top manufacturers to deliver certified installations that stand up to the toughest conditions.

From premium asphalt and architectural shingles to metal, tile, and flat roofing systems, we customize every roof to your home's unique needs and style. Whether it's residential, multifamily, or commercial, Stronghouse delivers lasting protection backed by a 15-year workmanship warranty and industry-leading certifications.

## TYPES OF ROOFING MATERIALS WE CARRY:

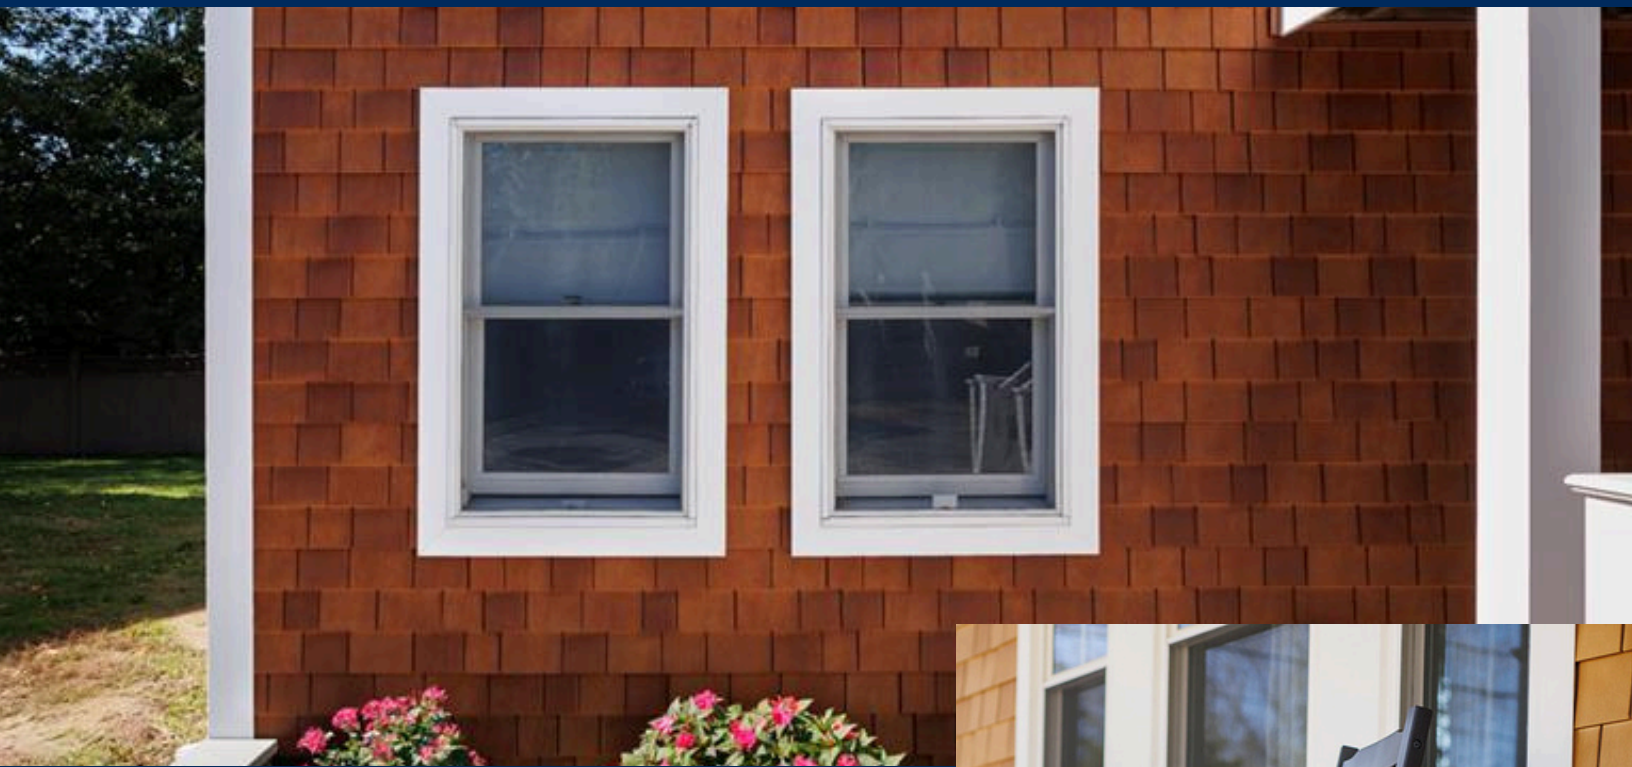

- ASPHALT SHINGLES
- METAL ROOFING
- SLATE TILES
- CLAY TILES
- STONE COATED STEEL ROOFING

**CLARITY. COMFORT.  
CRAFTSMANSHIP.**

Stronghouse windows bring energy efficiency and style together, improving comfort, reducing costs, and elevating your home's design. Every window is precision-installed for a perfect fit, using durable, low-maintenance materials built to last.

Choose from trusted brands and styles that complement any architectural look, from double-hung to casement, bay, and custom options. With superior insulation, noise reduction, and easy operation, Stronghouse windows make your home brighter, safer, and more efficient season after season.

## DESIGNED TO LAST. BUILT TO IMPRESS.

Stronghouse siding combines curb appeal with year-round durability. We offer a full range of materials and colors engineered to fit every home, climate, and vision.

From vinyl and composite to fiber cement, LP® SmartSide®, and natural wood, our expert installers deliver flawless craftsmanship on every project. Each siding system is designed to resist impact, moisture, and fading so your exterior looks beautiful for decades to come.

With Stronghouse, you don't just get new siding. You get lasting protection, timeless design, and a finish built to perform.

# SMALL DETAILS. BIG PROTECTION.

Gutters may be out of sight, but they're never out of mind at Stronghouse. Our seamless gutter systems are engineered to handle heavy rainfall, snowmelt, and debris, keeping your roof, walls, and foundation safe year-round.

Available in aluminum, steel, and copper, our custom-formed gutters and downspouts are cut to fit your home precisely and installed for maximum performance. Add gutter guards for extra protection and less maintenance, because a strong home starts with smart water management.

# WHEN STORMS STRIKE, STRONGHOUSE RESPONDS.

Severe weather can cause stress, damage, and disruption, but you don't have to face it alone. Stronghouse has dedicated storm teams across the country, ready to assess, restore, and rebuild with speed and care.

From hail and wind to hurricanes and heavy rain, we've seen it all and we know what it takes to get your property back to pre-storm condition. Our experts use advanced inspection technology and proven project management to deliver safe, efficient, and lasting repairs.

# SCALE. STRENGTH. SOLUTIONS.

Stronghouse provides trusted exterior solutions for multifamily, industrial, and commercial properties nationwide. We combine the precision of certified craftsmanship with the reliability of large-scale project management, keeping timelines tight and standards high.

From roof replacement to siding and windows, we handle complex projects with clear communication, strict safety standards, and long-term performance in mind. Our experience spans apartment complexes, warehouses, retail centers, and more, all backed by our Stronghouse Promise warranty and a reputation for excellence.

# STRENGTH YOU CAN SEE. SERVICE YOU CAN FEEL.

Stronghouse is more than a name, it's a commitment.

We're redefining what it means to work with a national exterior remodeler: strong warranties, consistent quality, transparent communication, and a community-first mindset.

Our reputation is built on:

- Certified craftsmanship backed by the industry's top manufacturers
- Proven performance across 20+ states
- Our Stronghouse Promise warranty standard
- Teams who live and work in the communities we serve
